MB-Approval Certificate

MB-Approval for: Engine Oil "Q8 T 760 SAE 10W-30"

Dear Sir or Madam,

The operating fluid shown above complies with the requirements of the Mercedes-Benz Specifications for Operating Fluids, sheet 228.31 and is therefore approved for use in Mercedes-Benz vehicles and assemblies. The application range is shown and explained on the sheet 223.2. Our other requirements, e.g. SAE grades, capacities, change intervals etc. must also be observed.

MB-Approval is valid with date of this certificate. The validity period is limited to the validity period of the above mentioned original and will expire in 5 years at the latest. New approvals have to be applied for in good time.

A 2 litre sample of each formulation (including all SAE grade variants) must be retained at all times, and can be called upon by Daimler AG at any given moment. We will advise the address.

Sincerely
 Daimler AG

 i.V. W. Schmid

 i.V. Dr. Keppeler
