Subject : Fluid Q8 Hogarth

Kind attn : Mr Henk Hovious

Dear Sir,

With reference to the documents submitted, the subject fluid is approved for inclusion on our list DENISON approved fluids for :

HF0, HF1, HF2

Approval number : 304 (1)

This fluid will be listed under the brand name...	Q8 Hogarth
The manufacturer to be listed as.....	Kuwait Petroleum Company
The ISO classification as.....	HV
The approved grade as.....	ISO VG 46
The listing date will be.....	October 2006
Test passed.....	T6H20C test dry & wet phases

Please note the product will be on the list until **October 2016**, the listing being for a limited period of 10 years. It can be extended for an additional 5 years by notifying us in writing that the fluid is still actively marketed. That notice should occur during the last six months of the initial listing period. This later condition is due to the fact that many fluids on the list are no longer available and we try to make it a more usable document.
Hoping this will not cause any inconvenience

Best Regards

Philippe Parreau
